TERMS OF SALE

PLEASE READ BEFORE BIDDING.

All bids are entered as received and lots distributed to the highest bidder without reserve. When two or more bids are the same, the first received gets the lot. When two or more unlimited bids on a certain lot are received, the first one received gets the lot at an advance of 5% over the highest bid.

When I receive your bids, I consider myself as your agent and buy the lot for you as much under your bids as the next highest bid will permit. I simply execute your bids for you as faithfully as if you had yourself been present at the sale.

I CHARGE NO COMMISSION FOR EXECUTING BIDS.

Lots sold as catalogued. No lot is broken under any circumstances. Bid by number of lot and at SO MUCH PER PIECE. If there are ten pieces in a lot and you want to offer $1.00 for the lot, make your bid 10c.

I guarantee all coins and notes to be genuine unless otherwise stated in catalogue. This guarantee holds good indefinitely.

NOTICE TO NEW BIDDERS.

Buying coins at auction sales is not the same as receiving coins on approval. The coins are bought for you on your order and you are of course expected to accept and pay promptly for them. Auction purchases are strictly net cash. Be careful in making your bids. Be sure that you bid for the lot you desire and at so much PER PIECE.

TERMS: The terms of auction sales are strictly cash. Parties unknown to me must send a deposit covering at least 25 per cent. of their bids or send satisfactory reference, otherwise they will not be accepted, as I cannot be expected to ship goods to parties whose good standing is not known to me.

Remittance should be made promptly in any way most convenient to yourself.

A neatly printed list of prices of this sale, showing amounts realized for each lot, will be sent for only 50c, CASH WITH ORDER. This is surely the cheapest and best method to keep posted on the prevailing prices of coins.

PLEASE SEND IN YOUR BIDS EARLY. All bids must be in on or before Wednesday, December 12, 1917.

If you have any coins that you want to sell either at auction or private sale, write me for terms.

A PLEASED COLLECTOR---He got what he wanted and appreciates our sales.

A bidder at our last sale writes us as follows:

> "I wish particularly to thank you for sending me lot 475A from this sale. To say I am pleased with the coin is saying little. I have, as you know, been bidding at your sales for years past, and have secured many interesting coins from them; but this magnificent coin is a revelation to me. I had no idea that coins of this size, M. 47, were found in the Ptolemaic series. The weight of this is over 3½ ounces, and considering its age the condition is fine. I have never seen so large a bronze of this series offered in a sale catalogue before, and it makes a most welcome addition to my collection. I find it is an issue of Ptolemy II., B. C. 284-247.
>
> "To one situated as I am—far from any numismatic center, and no coin collectors as far as I know in the same district—your sales are a distinct boon, my only source of supply. Without them I should indeed be at a loss and unable to take the pleasure I do take in my collecting.
>
> "Continue sending me 'Our Monthly' during next year; I have added the subscription to my auction bill. How you manage to publish it for so small an amount is more than I can imagine. I would not be without it for four times its cost.
>
> "J. O. H."

We are pleased to get this kind of letter; it shows our efforts and business methods are appreciated, and we are human enough to like it. There will be no falling off in the Monthly if we can help it; rather our aim is to increase its value and make it an indispensable help to all classes of collectors.
